

# CAMILA NASCIMENTO CARDOSO

**Single, 23 years, Brazilian.**

## PROFESSIONAL PROFILE

I worked as an intern during a year and a month in Web Development, acting as a fullstack and also with automatized tests in ICTS Group. I also worked as an intern at Embrapa, in Development, focused on database and reporting. As a first job, I worked at Bancoob, as a BI analyst, performing with data migration, data export and data mining, ETL processes, data modeling, report development, query SQL creation to medical appointments.
